

## International Union for Pure and Applied Biophysics

**Dear Representatives of Adhering Bodies and National Societies, Councilors and Members of the Biophysical Community,**

Please, find news related with IUPAB and new events to be held in the field of Biophysics. Please distribute this Newsletter to your members, it contains very interesting information for all of them.

**-Sponsorship of a prize for communications made by students or young biophysicists.**

Societies of countries linked to IUPAB as Adhering Bodies may apply for this prize to be awarded to presentations made by young biophysicists during meetings of these societies. The prize could also be given during meetings of associations of young biophysicists. See in this link the details to be taken into account:

<http://iupab.org/sponsorship-policy/>

**-Sponsorship of Plenary Lectures in major biophysics meetings and conferences.**

IUPAB will sponsor plenary lectures in major meetings or congresses of biophysics like those of EBSA (Europe), ABA (Asia-Pacific), Biophysical Society and LaFEBS (Latin American countries).

See <http://iupab.org/sponsorship-policy/>

Applications should be sent to the Secretary General.

-Event funded by IUPAB:

**Quantitative analysis of optical imaging for Medicine and Biophysics: foundations, applications and perspectives, Venice, 17-22 January, 2021**

[http://iupab.org/wp-content/uploads/2020/09/IntlVeniceSchool2021\\_Mail\\_FLYER\\_2pages-1.pdf](http://iupab.org/wp-content/uploads/2020/09/IntlVeniceSchool2021_Mail_FLYER_2pages-1.pdf)

**-CODATA:**

The fifth webinar in the CODATA Connect Series on Research Skills, took place on 28 July 2020.

**Matt Cannon, Head of Open Research, Taylor & Francis Group “Webinar 5: How to get published and best practice for open research”** [[download presentation](#)] The presentation and video are available from the [CODATA website](#).

**-The Biophysicist invites you to submit your papers.**

<http://iupab.org/2020/05/27/the-biophysicist-invites-you-to-submit-your-papers/>

-We are preparing a new issue of **IUPAB News (issue 75) (ISSN 2616-5589)**. We are asking you to send all types of collaborations. It will be in the interest of all biophysicists to have an attractive international magazine that can be distributed to your members as a new benefit for their membership.

We will acknowledge receiving materials published in your own bulletins or similar that you consider of interest for the biophysics community. In general materials may consist of: (a) brief articles of opinion about scientific policies or scientific divulgation reviews of not more than 1500 words, plus 1-2 tables or illustrations; (b) information about Congresses or any other

event that you are organizing (preferably flyers in .jpg format); (c) news or brief reports from recent events (not more than 400 words plus 1-2 illustrations, preferable in .jpg format); (d) open positions; (e) brief semblances of women in science, semblances on renowned biophysicists, obituaries of distinguished biophysicists (not more of 1000 words plus 1-2 illustrations, preferably in .jpg format); (f) awards (preferably flyers in .jpg format). You (and/or any member of your Adhering Body or National Society) may send me contributions not later than than the 10th of September to be published in the next issue (September). Otherwise it will be included in the issue to be published in January.

**Please, communicate this possibility to all the members of your Adhering Body or Society as soon as possible.**

Thank you very much for your help. Send materials to [jcgomez@um.es](mailto:jcgomez@um.es)

**-Member of the Biophysical Community. [Become a member of the International Biophysical Community \(for free\) and keep fully updated about biophysical news and events.](#)**

**Best wishes,**

**Juan C. Gómez-Fernández  
IUPAB Secretary General**
